

## Veterans Home - Chippewa Falls

Family Update 7.24.2020

Dear Friends & Family –

It is my pleasure to share with you our beloved community continues to report zero diagnosed COVID-19 cases among members and staff!

This weekend, the Combat Veterans Motorcycle Association is hosting a fund-raiser for our members, like they do every year. Our involvement is different this year due to Covid-19 restrictions. However, the bikers will drive by the Veterans Home to honor our members. Thank you to the Combat Vets for their dedication.

The health and wellbeing of our residents is our top priority, and we want to provide the best care we can. We continue to regularly screen residents for COVID-19 symptoms. However, if your loved one mentions to you that they are not feeling well, please encourage them to let a caregiver or staff member know right away. We appreciate your partnership in supporting the health of your loved one.

To ensure everyone's safety, when you prepare to do window visits, please remember the following:

- Wear facemasks when you are here
- Ensure the windows remain closed
- Bring your cell phone or tablet
- Please be mindful that you may encounter members along the sidewalks around the facility, so maintain 6 feet of distance at all times
- Watch for unlevel ground in the grass and near the windows

As always, I welcome you to contact us with any questions, comments or concerns.

Thank you and be well,
